MARSHALL STREET, HYDEN - ROADWORKS

UPDATE For the information of the Hyden community, Main Roads WA has advised that it is currently undertaking a hydrology assessment of flood waters that affect the Hyden town site to assist in the design of the culverts to be installed east of the Hyden Roadhouse on Marshall Street / Brookton Highway. The gravel section of the road where the cut was made to alleviate flood waters during the recent flood event will be temporarily bitumen sealed for public convenience and at a later stage will be reconstructed installing culverts to accommodate future flood waters.

Hyden Progress Association

Are you interested in forming a Historical Society? We are looking to preserve Hyden's history as it would be a shame to lose any of the photos or stories documenting Hyden's past. If you are interested in taking part of the preservation of our history, please contact the Hyden Progress Association. Remember, if you have any historical photos to take them to the CRC for scanning to be kept for the future.
