HYDEN WASTE TRANSFER STATION

It has come to the Shire's attention that the Hyden Waste Transfer Station has again been accessed outside of the standard opening times by cutting the fence to the east of the entrance. A pile of asbestos and other goods were also recently illegally dumped within the vicinity of the Waste Transfer Station. Both of these incidents have been reported to the Police.

Gone are the days that the public can just dump their waste when they want in 'open tips'. Waste Transfer Stations across WA work on set operating open times to ensure that waste is appropriately stored and managed according to legislation.

As a reminder the operating hours for the Hyden Waste Transfer Station are as follows:
Wed, Fri, Sat 2.00pm—5.00pm & Sun, Mon 8.00am—12.00pm
If you require access to the Waste Transfer Station outside of the operating hours this can be arranged by contacting the Shire's Works Manager on 0427 981 812. This is only for emergency or one off occasions and not for long term arrangements.

The Shire have been trialling CCTV cameras intermittently at the Waste Transfer Station and have footage of some of those that have accessed the area illegally. In light of recent incidents the Shire is now looking to install a permanent CCTV camera at the Waste Transfer Station.
